Shanghai University

11th of April, 2014

Attention to:

Dr Icko Gjorgoski, (PhD Physiology)
Dean of the Faculty of Mathematics and Natural Sciences
University Ss. Cyril & Methodius
Skopje 1000, Republic of Macedonia

Honorable Sir,

We are honored to invite Dr. Jasmina Dimitrova-Shumkovska of your staff to join our college as a Visiting Assistant Professor at the School of Life Science, Shanghai University during the academic period: September 1, 2014 until August 30, 2015.

The main objective of Prof. Dimitrova-Shumkovska's professional assignment at our college will comprise of the following: (i) to work with the head of Regeneration Lab of Shanghai University, Dr. Junjie Xiao, on TSPO related research, (ii) to give lectures on selected research topics at Shanghai University, as well as (iii) teach given courses in Biochemistry.

We shall be grateful for your favorable consideration of the subject invitation and will look forward to opening a venue for academic and scientific cooperation with your reputable institution.

With the best of wishes,

On behalf of the School of Life Science, Shanghai University

Shen Zhongmin
